**Summer Breeze:** Why not take a break on the South Coast and enjoy the whole experience and visit other local hashes. We have agreed a series of Pre Ambles running up to the UK Nash Hash. Bournemouth Sports Club is ideally situated near Bournemouth International Airport (Hurn) and is in easy distances from the New Forest To Bournemouth Beaches and the town centres of Bournemouth and Poole. The nearest BR station is Bournemouth and the local Wilts & Dorset bus No13 runs every 30mins to Parley Cross, which is close to the venue.

**Pre Ambles:** The local Hash groups have agreed to lay trails starting on the Sunday through to Thursday. Visiting the South coast hashes is an experience not to be missed and you'll end up on Thursday at the venue. So, why not make a 'hashing' break and visit all pre lubes?

Outline schedule is:

Sunday 21st @ 11am —Wessex H3, Hursley H3 or Bristol H3

Monday 22nd @ 7pm—Winchester H3

Tuesday 23rd@ 7pm—Wilton H3

Wednesday 24th @ 7pm—HOV (MRC) H3

Thursday 25th @ 7pm - R2D2 H3 (fm the venue)

Location for runs can be found on their websites.

**Registration:** Opens on Friday 10am—6pm and Saturday 10am-4pm in the Hash marquee.

**Red Dress Run:** The 'Red Dress' charity run will be on the Friday, all runners are encouraged to wear something red as fancy dress, which should make a spectacular and exciting vision within Poole Town. It will be a short three mile run 'in and around' Whitecliffe, Baiter, the Quay and Poole Park, with proceeds going towards two local charities. Transport departs from the venue at 4.30pm. On completion the Red Dress runners will return to the venue to enjoy a

'Sponsors Buffet' followed by the 'Opening Ceremony' at 9pm.

Those hashers NOT competing in the Red Dress run food will be available in the Clubhouse.

So get your fancy dress dusted off and thongs on for a Fred Flintstone extravaganza....
